LEAVE HOUSE

This 2 hour morning routine includes 30 mins to complete The Organised Mum Method task for that day. It also includes the flexibility to prepare a slow cooker meal or get the every day jobs done. (depending on what you have planned for the evening meal)

I have not included exact timings because every person will have a different time that they need to leave the house by.

(This is my week day morning routine. I have a 2 year old, 8 year old and 11 year old.)

THE KEY TO SMOOTH MORNINGS IS PREP!
SO THE NIGHT BEFORE...

- prepare packed lunches
- have a clean kitchen
- get uniforms/clothes ready
- have bags packed and ready to go
- put a load of washing in the machine ready to turn on in the morning
